

Southeastern University Parking Information

Parking Permits:

- All SEU students (campus residents, commuters, and graduate assistants) need a new parking permit for their vehicles each school year. The **Campus Parking Permit Application** can be found by clicking on the “**Forms**” tab at the top of the [MyPortal/JICS](#) website, and then selecting “**Campus Security**” on the left side of the page. Please have photographs or pdf files of your state-issued drivers’ license, vehicle registration, and current proof of vehicle insurance on the device that you will use to complete the application prior to beginning the application process.
- Parking permits are required for all vehicles parked in any SEU parking lots, including the **West Lot, West Grass Lot, Soccer Lot, Buttercup Residences, and North Bethany Apartments Grass Lot.**
- Once you have submitted your permit application, it will be reviewed by Safety and Security personnel. You may only pick up your parking permit **after** you receive an email advising that your application has been approved.
- Permits may be picked up by new employees and all students at the Safety & Security Office located in South Pointe F2 (next to the tennis courts) between 8:00 AM and 4:00 PM Monday through Friday. Students also have the option to pick up their permits at the Security Post at the main entrance 24/7.
- Drivers with a valid disabled parking permit may park in any disabled parking space on campus, even if the disabled parking space is in a faculty lot. **Please be advised that use of another person’s disabled parking permit (friend, parent, grandparent, etc.) when the permit owner is not being transported is a criminal offense in the state of Florida and will result in the permanent loss of the permit by the owner.**
- A vehicle that is transporting a passenger with a valid disabled parking permit may park in a disabled parking space for a maximum of 30 minutes.

Parking Lots: (Maps are provided below for further information)

- **The Valencia Lot and the College of Arts and Media Lot are reserved for vehicles belonging to full-time faculty, only.** Student vehicles may not be parked in these lots and are subject to being towed at the owner's expense, except for vehicles with disabled permits in designated disabled parking spaces. **Additionally, adjunct faculty and staff are not allowed to park in these spaces.**
- **Parking is not allowed in the spaces in front of the Athletics Vehicle storage area behind the Aquatic Center/Sportsplex.**
- Campus residents and commuters who will be on campus **after 6:00 PM** should park their vehicles in unreserved spaces on campus, in the West Lot (across the street from the football stadium), in the Soccer (dirt) Lot, or in the North Bethany Grass Lot (behind the North Bethany Apartments north of the soccer field).
- Campus residents and commuters who will leave campus **before 6:00 PM** may also park in the Crystal Lake United Methodist Church Grass Lot (behind the Crystal Lake United Methodist Church at 2001 N. Crystal Lake Dr). **Parking is only permitted in the grass areas on the side and behind the church, not in paved parking spaces or anywhere at the front of the church.**
- Parking at the Church Lot is not allowed on evenings or weekends, but the church does allow parking on football game days for a \$5.00 fee, which helps to provide funds for the church.

Shuttles:

- Security will be operating a shuttle that runs between campus, the North Bethany Grass Lot, and the Church Grass Lot on **weekdays between 7:00 AM and 6:00 PM. The shuttle to the North Bethany Grass Lot will also run until 10:30 PM.**

Vehicles parked in roadways, in areas designated with "no parking" signs, or parked in any way that interferes with the flow of traffic will be cited and **are subject to being booted or towed at the owner's expense.**

PEMD's may not be operated, stored, or charged at any other location on campus, including parking lots.
- Fines associated with SEU parking citations are paid to the Cashier's Office.
- Citation appeal hearings are conducted monthly. Students wishing to appeal a citation will present their arguments to a judiciary panel comprised of SEU pre-law students, who will then determine whether the appeal is granted or denied.
